

Super OK - CW Award

Diplom is released under this conditions :

All QSL cards from **OK/OL/OM** stations only for **2xCW** on two bands are valid. You can use all QSLs older than 1.1.1975 from all HF bands including WARC. You can use all prefix OK1-OKo, OL1-OLo, OM1-OMo. You can also use cards from stations with CEPT license (Ex : OK/F5ABC/m, etc.).

Cards with prefix OM (Slovak rep.) older than 1.1.1993 can NOT be used !!!

It`s possible to get SUPPLEMENTARY SIGNES under the same conditions and point evaluation as basic diploma, only for operation of **QRP**.

These three classes are released :

1st variant : minimum of 100 QSLs (or 200, 300, 400, etc. QSLs) without band differentiation (but HF and VHF are differentiated)

2nd variant : minimum of 100 QSLs (or 200, 300, 400, etc. QSLs) only from **160m/1.8MHz**

3rd variant : minimum of 100 QSLs (or 200, 300, 400, etc. QSLs) only for operation of the **QRP** (on the side of aplicant)

To the diploma are released supplementary signs for 200, 300, 400,... QSLs. You can apply for a 200, 300,... QSLs diploma directly. (You will receive a 100 QSLs diploma plus supplementary signs).

The apply must contain the list of QSL cards (showing date, band and mode) with honorary statemtent of the aplicant and two other amateurs or one **TFC member**. QSL cards can be solicited by the editor.

Fee of one diploma is **10** EURO, for **TFC members** only **5** EURO
When applying for two diploma (1+3 or 2+3) at the same time the fee is only **10** EURO (**5** EURO for **TFC** members).
